

**Chaddesley Corbett Parish Council  
Notes of a Working Group Meeting  
Held on Thursday 26 November 2020  
Important Spaces and Protected Views  
By ZOOM**

Attending: Mrs D Dolley, Mrs E Mountford, Ms S Green, Cllr W Mack, Cllr S Williams,  
Cllr G Hogan

1. There were no apologies
2. The background to the group and the task in hand was reviewed. Reference was made to the national guidelines relating to 'The designation of land as **Local Green Space**.' (previously circulated)
3. It was noted that **Important Space** was previously listed in the CA for the Chaddesley Corbett Conservation Area (page 63 of current Neighbourhood Plan).
4. The variety of terms used to describe areas of Green Space/Open Space/ Important Space were raised. Ultimately the group would need to refer to the Local Plan (when approved)
5. It was agreed that more clearly defined maps were needed to assist the group with the task. In particular
  - a) Important Space in the Chaddesley Corbett Conservation Area (page 63 of Neighbourhood Plan)
  - b) Boundary of Harvington Conservation Area (App 2 of The Harvington Character Appraisal)
  - c) Protected Views as shown on Page 111 of current NP (App 111 Map 5)
  - d) Map of the Parish
6. It was agreed that members of the group should consider whether any additional areas of Important Space/Local Green Space should be referred to the Steering Group for inclusion of the revised NP. These should be discussed at the next meeting.
7. The Working Group will 'meet' again on Wednesday 2<sup>nd</sup> of Dec at 2pm via zoom, provided that the appropriate maps can be forwarded in time.

D Dolley – 26.11.20
