

IMPORTANT SPACE WORKING GROUP

Notes of the meeting held via Zoom on **Friday 8 January 2021 at 4:00 pm**

1. There were no apologies.
2. **Glossary** – After discussions with the NP Steering Group it was suggested that this should be linked with the first NP and those not previously used in the report should be added.
3. **Conservation Areas** - The revised boundary for the CA in Harvington should be used in the new NP, as well as any proposed changes to the Chaddesley Corbett CA. The process for adoption of these new boundaries would be the formal adoption of the Revised NP which would then need to be formalised at the District Council.
4. **Terminology**- It was agreed that Protected Views should be classified as Significant Views.
5. **Grid** - Detailed analysis of the 'grid' was undertaken and proposed areas were categorised on the grid. The updated grid would be forwarded for approval at the next meeting.
6. **Next Steps** – The final recommendations would need to be approved by the Parish Council before it can be added into the Revised NP, so it was suggested that if possible these should be ready for presentation by the March or at the latest April Parish Council Meeting.
7. **Any Other Business - None**
8. **Date of next meeting** – Friday 15 January at 1:00 pm.
