Dear Yvonne

Chaddesley Parish Council Meeting – 6th April 2021

Please find our enclosed report as follows:-

Local Issues

We have been dealing with the usual routine casework.

We have the following information regarding the enforcement issues: -

We have chased the litter picking of the A448 and A450. The Green Street Depot have been taking much longer than normal to deal with these issues as they presently have major staff shortages as a result of covid-19 and there have been severe delays to wheelie bin emptying over the last couple of weeks.

A number of local members of the public have been litter picking in the Parish and I have been liaising with Green Street to take away the sacks.

We have reported some damaged street nameplates in the Parish for new ones.

Wyre Forest Issues

In respect of the WFDC's draft Local Plan, the Public Hearings by the Planning Inspector have concluded and we await the inspector's report.

Wyre Forest House is still closed to the public as is the Green Street Hub save for dealing with housing and homelessness applications.

Graham Ballinger the Leader of the Council has announced he has stepping down at annual council in May and is supporting his Deputy Leader, Cllr. Helen Dyke to take over.

The Progressive alliance continue to pursue their localism agenda and over the next couple of years want Parish Councils to take over litter picking and in emptying and grass cutting and phase out the grant and for the Parish Council to precept accordingly.

If you have any issues you would like us to deal with, please do not hesitate to contact us.

Yours sincerely
